AMAC recently supported H.R. 7510, the National Education Association Charter Repeal Act. This bill, sponsored by Rep. Scott Fitzgerald (WI-05), **would remove the National Education Association’s (NEA) charter.** AMAC agrees with language in the bill that states the NEA “has drifted substantially from its core mission and become a massive political operation dedicated to electing Democrats and imposing a radical progressive agenda on America’s schools.” Accordingly, the NEA is **not** worthy of its charter.
